

Toledo Public School Projects

PROJECT DESCRIPTION

The Mannik & Smith Group, Inc. (MSG) is working in conjunction with the Toledo Public School's "Building for Success" program to rebuild and renovate all district schools, transform the landscape of Toledo and improve educational opportunities for Toledo area students. The project is expected to cost \$798 million and is projected to last 10 to 12 years.

MSG provided ALTA survey services for the following TPS Schools:

- ◆ Burroughs Elementary School
- ◆ Chase Elementary School
- ◆ Westfield Elementary School
- ◆ DeVeaux Junior High School
- ◆ Bowsher High School
- ◆ Scott High School
- ◆ Woodward High School

MSG provided the required information to insure the land and determine easements, improvements and right of way.
